The majority of the Big Dig (Central Artery / Tunnel Project) was completed by the middle of 2005 at an estimated cost of $14.622 billion, signed off as a cost overrun, was used to repair these leaks. Causes of the problems.the XP cost equals 1/25 of the cost of the item in gold pieces. A character cannot spend so much XP on an item that he or she loses a level. However, upon gaining enough XP to attain a new level, he or she can immediately expend XP on creating an item rather than keeping the XP to advance a level.

The Washington Post's investigation Port Congestion - causes, consequences and impact on FIVE CAUSES OF PROJECT

Managing the cost poorly often causes project cost overrun. (Azis et. al., 2013). Escalation of commitment is a human behavior pattern in which an individual or group facing increasingly negative outcomes from a decision, action or investment nevertheless continues the behavior instead of altering course. The actor maintains behaviors that are irrational, but align with previous decisions and actions. Economists and behavioral scientists use a related term, sunk...
